

Photography permission clause:

1. **Authorisation:** The client grants permission for JMK Joinery to capture prior, progress, and completion images for marketing purposes, including use on company social media accounts and website/s.
2. **Exclusion of Personal identifiers:** No individuals or identifying personal artifacts will be photographed. General location information may be included. For commercial clients, business names may be used for identification purposes in marketing materials.
3. **Client Sharing:** JMK Joinery agrees to allow clients to share the images on their own platforms. Wherever possible, JMK Joinery will provide credit to the client/s.
4. **Opt-Out:** Should the client choose not to consent to the terms outlined in this clause, they reserve the right to indicate their decision by crossing out this provision and initialling the contract accordingly, alternatively you can express your decision via reply email.
